

**CUSTOM ENGRAVED
DESKTOP POP SHOT
TEMPLATE
MINIBEERPONG.COM**

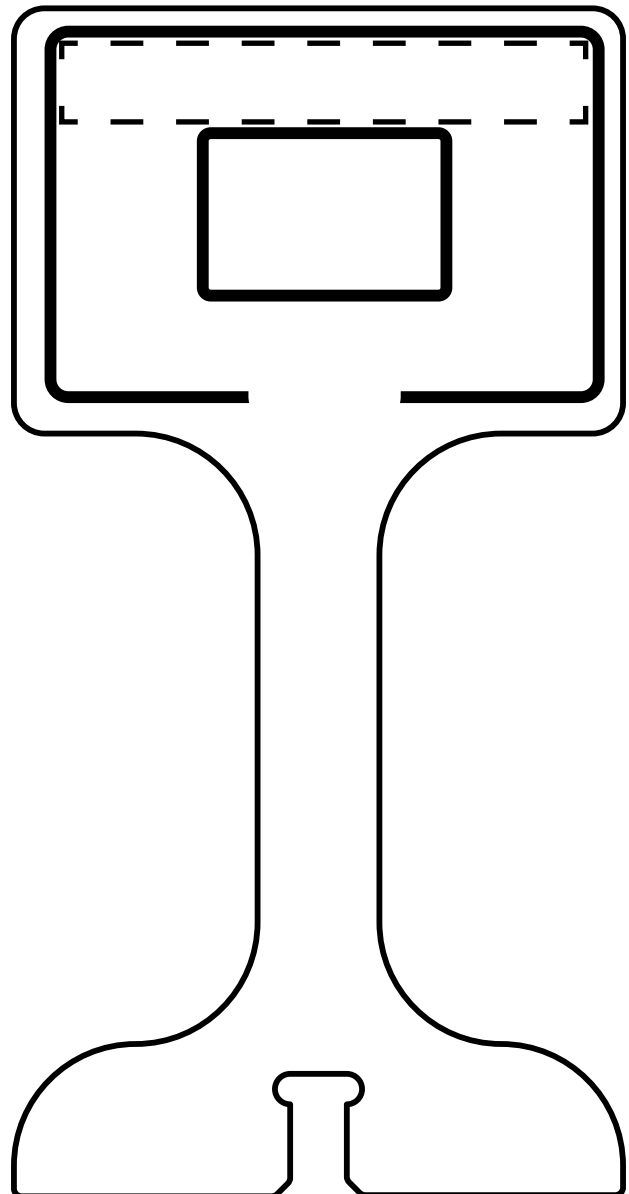

INSTRUCTIONS: Paste and arrange custom engraving graphics and/or text inside the dashed rectangle.

BLACK & WHITE ONLY:

Engraving is a single color process, whereby a laser burns areas dark on wood. Please edit your design to only black (engraved) & white (not engraved) @ the highest resolution possible.

EMAIL US: Once your design is complete, please save & email the file to sales@minibeerpong.com with any extra instructions.
