

Gameplay Guide

Ages 21+ | Players 2+ | Made by Sciencz in Mpls, MN, USA
Video Demos & more fun stuff @ MiniBeerPong.com

Includes:

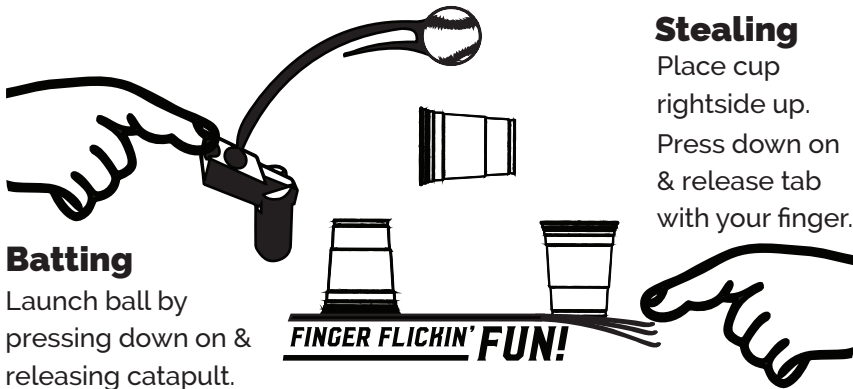

Wooden Gameboard
2 Catapults
1 Tethered Ball
10 Counting Pegs
20 Re-usable Cups

Setup:

Assemble teams (1+ players per side).
Mount catapults at ends of gameboard.
Fill cups. Set in positions as shown.
Place bottlecap magnet at board center.
Move counting pegs to ● start positions.

Batting:

- 1 Away team bats first! Teammates alternate shots.
- 2 Catapult ball toward the row of cups on opposite end of board.
- 3 Move base runners according to markings if cup is made.
- 4 Defenders consume, refill, and replace cups that are made.
- 5 Runners already on base advance likewise if cup is made.
- 6 Once on base, a lead runner may try to steal (see below).
- 7 Each missed shot is an out. 3 outs & the Home team now bats.
- 8 Both teams bat in an inning. 9 innings make a complete game.

Stealing:

Once on base, the lead base runner may try to steal another base.

- To do so: 1 grab a steal cup, 2 consume its contents, 3 place cup rightside up on stealing pad, and 4 flip it onto its top using the finger-flickin' tabs.

As soon as the base runner reaches for a steal cup, a defending player on the opposite team does likewise. It's a race!

If the base runner flips first, they advance to the next base.

...but if the defender flips quicker, the base runner is out!

Be Responsible!

Rinse & re-use your cups, wipe board with a damp cloth post-game, drink responsibly, oh, and have fun & play fair :))

Please use responsibly.
